

Seven-times CEO Loves Me Novel

Chapter 26 To 30

C26 Don't listen to her blabbering

Don't listen to her bullshit

"Where to?"

"I'll tell you why we're looking for you."

"Not going." Tang Bao turned and left.

Did you think she was stupid? It was obvious that it wasn't anything good.

Although she wouldn't be afraid of them, it would still be difficult for two fists to contend with four hands, so she would be at a disadvantage.

The girl directly grabbed onto Tang Bao's collar, while the other girls also pulled on her, one on the left and one on the right.

A deterrent that no one can approach.

Those who passed had to take a detour.

Inside the spacious carriage, Di Hao Tian was currently sitting inside with the expensive red wine in his hands.

"Young Master Di, it seems to be filled with students fighting." He Jue who was seated in front said.

Tang Bao was dragged to an alley beside the school by these people.

There's no one here, is it convenient to make a move?

"Tell me, how did I offend you?" Tang Bao was sure that she didn't know these people, but she didn't want to be unknown and be beaten up.

"Where did you provoke us? After fighting you, you finally remembered!" the girl said fiercely. " Call me! "

"Wait!" We'll fight again later! " Tang Bao immediately extended her hand out to stop her.

"What else do you want to say?" The girl was impatient.

It was as if he could not calm down even after beating Tang Bao up immediately.

After the girl finished asking, she didn't see what had happened clearly. It was as if a brick had been thrown at her.

But the reaction was too slow, and he knew it was too late.

With a 'bang', the girl in the lead rolled her eyes and fell to the ground.

There was still blood on his forehead.

When the other girls saw this, Tang Bao raised a brick in her hand and immediately rushed forward in anger.

Tang Bao didn't bite off more than she could chew and turned to run.

However, just as she turned around and ran into a sturdy meat wall, Tang Bao felt like her entire head was going to faint. At that moment, he thought to himself, who exactly did she hit? Even people were sent flying.

In the next second, his waist tightened and he was pulled back.

Tang Bao stuck herself onto the wall of flesh once again.

Then, Di Hao Tian's tyrannical face that was imprinted in the depths of his eyes, even became somewhat colder.

When the other girls saw Di Hao Tian looking at them, they were so scared that they even heard their footsteps.

"Tell me, what did she do?" Di Hao Tian coldly asked.

One of the girls hesitated, then said, "She stole someone else's boyfriend." After saying that, he looked at the unconscious girl on the ground.

It seemed to be stealing her boyfriend.

Tang Bao was startled, following that she felt the temperature of her chest go cold, causing her body to tremble uncontrollably.

This discomfort made her want to leave Di Hao Tian's grasp, but the hand on her waist did not relax at all, it was as if the metal chain was firmly locked.

"You ... "Don't listen to her nonsense. I didn't steal her boyfriend, I don't even know her." Tang Bao explained, she did not want to suffer at Di Hao Tian's place.

This man was terrifying, but not human.

"You don't know Zhou Kai?" the girl asked again.

Zhou Kai? Tang Bao thought. Why does this name sound so familiar?

Suddenly, she felt a chill in her heart. Wasn't that the guy who wrote her several love letters and then ran off to another university in her school?

C27 She was so afraid that others would know

Did she really cause trouble?

Just as Tang Bao was in a daze, Di Hao Tian's low voice came out from above his head: "Do you want to continue?"

Tang Bao who was inside raised her head and looked towards the school gate outside the window. They didn't understand why Di Hao Tian would suddenly appear at her school's gate.

After the carriage drove away, Tang Ru Yi finally walked to the front of the girls. Looking at the girl who looked like she was about to wake up, Tang Ru Yi was so angry that he didn't want to take a second look.

What a bunch of trash.

But what made her even more angry was, why was Tang Bao so close to Di Hao Tian?

This made Tang Ru Yi look suspicious and angry.

The car drove on the road steadily, Tang Bao sat upright and endured the pressure of the carriage, like a gloomy net enveloping her body, incapable of tearing it apart.

Tang Bao sneaked a peek at Di Hao Tian's cold and sharp black eyes,

shocking her so much that her heart jumped, and she immediately retracted her gaze.

"You have nothing to say?" Di Hao Tian's tone of voice was intimidating as he lazily sat there, emitting a tyrannical aura.

"What else do I have to say ..." Tang Bao muttered.

Di Hao Tian did not display any anger. Instead, he evilly laughed, exuding danger. "Is it because you're not feeling well again? Do you want me to massage it for you? "

Tang Bao thought about what she meant, and her face turned hot. She crossed her arms in front of her chest and anxiously said, "Don't be reckless! I said so. You can't blame me. That boy gave me... I wrote a few love letters and went to school to look for me once, but I rejected them all. The most important thing is that I didn't even read the contents of the love letters. "

"Why did you refuse?"

"..." "He's too ugly." Furthermore, at that time, the person she liked was Di Jun Bai, so she wouldn't go and accept others.

Even if it was Di Hao Tian ... Of course, she didn't dare to say that.

"You'd better behave, otherwise you won't need to read any more books, every day I keep you locked in the castle." Di Hao Tian squinted his long and narrow eyes as he drew out the signal for danger.

Tang Bao's heart trembled.

She believed that Di Hao Tian was definitely not saying these words.

This man's wrist was both ruthless and ruthless.

Even a man would be afraid in front of him, let alone a girl.

Tang Bao felt that Di Hao Tian was not the reincarnation of demons, but the reincarnation of the King of Demons.

The oppressive atmosphere in the carriage settled for a while, but it did not settle down.

Tang Bao thought of something and asked, "Why did you come to my school? Didn't you say that you didn't want others to know about our marriage? If others were to see how close you and I are, I wonder what they would think. "

"Why are you so afraid of others finding out?" Di Hao Tian's black eyes were filled with unfathomability.

"That's not true... That's right, I'm still a student, so there's no need for me to cause any trouble. " Di Hao Tian's identity was extremely sensitive.

He didn't know what kind of topic it would bring him when the time came.

Tang Bao felt that it was probably not good.

Di Hao Tian did not continue to pursue the matter.

Tang Bao had thought that they would be going to the restaurant outside, but she was still thinking why Di Hao Tian had such a leisurely time.

However, they arrived at a luxurious villa with a beautiful scenery. It looked like a wealthy family, not just a high-class dining hall.

There were a couple waiting respectfully at the door.

At this moment, a middle-aged couple walked out from inside. The man was beaming with happiness and brimming with energy. The girl was rich and elegant with a gentle smile on her face.

C28 Delicious

Tang Bao was wondering who these two people were.

The middle-aged man stepped forward, "Second Uncle has been waiting for you for a long time. Why did you only arrive now?"

Tang Bao was a little shocked in her heart. Was this Di Hao Tian's second uncle? Di Hao Tian's identity was unattainable, even his elders had to come out to welcome him!

Tang Bao's little heart was beating unusually fast.

He knew his current sensitive identity, but how could he say he didn't like someone so quickly? Moreover, there would be no result for her and Di Hao Tian. In the end, after she recovered her independence, could she still chase after Di Jun Bai?

However, he did not see Di Jun Bai at the time of the meal, so Lan Wan Rou was sitting opposite to him. This temperament was very similar to her aunt Li Yu Huai.

However, was that gaze directed to his side?

Tang Bao had noticed it. It was so obvious that she was blind.

Was this unintentional?

Tang Bao's temperament was outstanding, she was gentle and beautiful, how could she not be interested in him? She just had to look for Tang Bao.

Of course. Tang Bao was not belittling herself, but felt that Lan Wan Rou was more suited to be a wife. And Tang Bao is only twenty years old, what does she know about being a wife?

No shit, the bricks were right.

However, Tang Bao's mind was busier than her mouth when she was eating, and when she thought about it, she remembered the clothes and bras in the cloakroom.

Could it be that Di Hao Tian had married her because he liked her size?

Thinking about this, Tang Bao looked at Lan Wan Rou's chest.

It was indeed much smaller.

So, this was the reason why Di Hao Tian didn't like it?

Lan Wan Rou felt that this gaze was abnormal and couldn't help but frown.

Only then did Tang Bao retract her 'vulgar' gaze.

At this moment, the bowl was filled with food. Di Hao Tian was the one who took it. It made her stare blankly for a moment, and she lowered her head in embarrassment as she ate.

This behavior was definitely noticed by others. Every face had a variety of expressions. Second Uncle Di Ling Yue didn't understand; Second Aunt Li Yu Huai gently smiled; Lan Wan Rou's expression was gloomy.

"Is it unpalatable?" Li Yu Huai asked with a smile.

Tang Bao was stunned for a moment before realizing that she was the one asking, and immediately replied: "No, it's very delicate and delicious."

It was like having a banquet.

After finishing their meal, Di Hao Tian and Di Ling Yue seemed to have something to say, so they went to another place. There were only three women in the hall. Tang Bao, Li Yu Huai and Lan Wan Rou.

Li Yu Huai was very polite, he took out all sorts of delicious food and placed it in front of her.

Although Tang Bao was tasty, she couldn't really eat it immediately either.

Tang Bao lowered her head and looked at herself.

It was her old clothes, a simple T-shirt, a pair of skinny white ankles, and a pair of simple canvas shoes. She was dressed entirely in the clothes of a young girl and a student.

Tang Bao withdrew her foot.

Di Hao Tian was serious, why didn't he let her change her clothes before coming over?

Tang Bao was too embarrassed to eat the delicious food on the table calmly. She could only hold the cup and drink until her bladder expanded.

C29 You can lose your life

Then he ran to the bathroom.

As he washed his hands, the door opened.

Tang Bao had thought that someone wanted to use the bathroom, but when she turned her head, he saw Lan Wan Rou coming in.

If Lan Wan Rou came in to use the bathroom, it wouldn't be a big deal. However, when she came in, she stared at Tang Bao.

Tang Bao looked at his own face in the mirror. It was small, pure and white, with nothing on it.

"If you marry big brother, could it be that big brother isn't even willing to buy clothes for you?"

"Oh, I have no idea about clothes. It doesn't matter."

"But do you think you're worthy to stand beside him?" Lan Wan Rou's eyes were cold and scornful.

Tang Bao thought, so this was actually the situation. Worried that she wouldn't deserve to stand by Di Hao Tian's side? She really liked Di Hao Tian. Even this detail had been noticed.

"It should be suitable, right? Otherwise, Di Hao Tian would not let me stand by his side. " Tang Bao said innocently. Just take it as if you didn't see Lan Wan Rou's trembling from anger, and change the topic, "You want to use the washroom, right? I'm ready, use it. "

With that, Tang Bao left the room.

When they left, Di Ling Yue's family was at the door again, until they got in the car and could no longer see the villa.

Tang Bao retracted her gaze from the window, and glanced at the cold and domineering Di Hao Tian who was quietly sitting there. Her long legs were wrapped under her well-ironed suit pants, straight and powerful. She was dressed in a black suit with a deep coldness and an extremely expensive price that couldn't be ignored. The cuff links of the shirt were black diamonds that exuded a black glow, reflecting the supreme nobility.

With Di Hao Tian's wealth and power, what he was wearing, was definitely a staggering value.

Tang Bao only had a total of a few hundred dollars left. The difference of a Sky Sack was indeed very unworthy.

"Why didn't you tell me in advance when you came here to eat? That way I can get ready. " Tang Bao said.

Di Hao Tian's eyes turned serious, serene yet unrestrained: "Prepare for what?"

"Change your clothes." Aren't you afraid of losing face when I act like this? " Tang Bao was curious.

Logically speaking, a person with the status of Di Hao Tian should pay more attention to his appearance, let alone the Tang Bao he married back.

Or is it that he doesn't care?

"I have a lot of face, you can lose it for the rest of your life." Di Hao Tian said indifferently.

"..."

In the morning, when Tang Bao was still washing up in the bathroom, she heard Zhang Li knocking on the door. She seemed to have entered, but she didn't know what was going on. Tang Bao knew that she had to clean the rooms when she was not around to avoid disturbing him.

When Tang Bao came out of the bathroom, she found Zhang Li fiddling with the clothes in the cloakroom.

She picked it out from the clothes Di Hao Tian gave her.

Di Hao Tian's warning was still in her ears, she didn't dare not wear it!

After Zhang Li helped her choose a set of clothes, she did not say anything, nor did she say anything bad, and just took it. After Zhang Li left the room, she changed into the new set.

He didn't know how Di Hao Tian was going to torture her.

The light in Tang Bao's head suddenly flashed. Could it be that these clothes had some sort of female shadow, which was why she made the request?

Was she a double?

In the school, when Tang Bao and Wan Mi Lai were still chatting excitedly, a handful of mud fell from the sky and landed on the two of them.

"AHH!" The two of them hurriedly stood up, shaking off the sand.

C30 She's going to steal from you

She stole it from you

Some of them had already poured all of it into their necks. Only by shaking their clothes non-stop could they completely clean up the sand.

Tang Bao lifted her head to see who had done it, and she saw Tang Ru Yi, who had appeared in her school.

"Tang Ru Yi, what is wrong with you?" Tang Bao was furious.

"I have something to talk to you about." Tang Ru Yi did not feel apologetic at all for his actions.

Because she did it on purpose.

Tang Ru Yi looked down upon the school that Tang Bao studied in, so he was very surprised that she would come here because she had 'wronged' him for some reason.

"I have something to say to her, can you avoid me?" Tang Ru Yi ordered Wan Mi Lai.

As Tang Bao's good friend, she naturally knew what kind of virtue this Tang Family's Second Miss had, and immediately said: "I'm willing to stand here, not your school.

Tang Ru Yi's face suddenly turned ugly.

"If you have anything to say, then say it, I don't have the time to waste on you." Tang Bao said patiently.

"Very well. Let me ask you, what is your relationship with Di Hao Tian? "

Tang Bao was startled, what does that mean? Why did Tang Ru Yi ask that?

Could he be aware of the relationship between her and Di Hao Tian?

That shouldn't be the case. She didn't say anything, so if Di Hao Tian agreed, then he definitely wouldn't say anything.

"It doesn't matter?" Tang Bao was at a loss.

"It doesn't matter. Why would his parents go on their wedding anniversary? It doesn't matter. You were in his car after class last night?" Tang Ru Yi glared as he shouted in anger.

"How did I know he was going to come on the anniversary? Wasn't it my father who invited him? As for what I got into last night, I don't know. Miley, I think I walked with you after class. Did you see that?" Tang Bao nudged Wan Mi Lai with his elbow.

"Nope, let's go out of the school together. I'll go buy some food after you get in the car, then go straight back to my dorm." Nothing happened. Tang Ru Yi, you must be seeing things right?" Wan Mi Lai said in coordination.

"Do you think I'm blind? I know Tang Bao even if she turns to ashes! Tang Bao, tell me honestly, have you become Di Hao Tian's lover? I want to go back and tell Daddy!"

Tang Bao lowered her head and scratched the bridge of her nose with her index finger.

He thought to himself, if even Di Hao Tian's wife wasn't important to her, how could she still be his lover?

Wan Mi Lai, who was at the side, could not hold back his laughter.

"Tang Ru Yi, I'm curious, why are you suddenly so concerned about me?"

"Because my parents agreed for me to marry Di Hao Tian." Tang Ru Yi was so shocked that his nose almost turned to the sky.

"Did Di Hao Tian agree?" Tang Bao asked.

"As long as dad mentions it, Di Hao Tian should not reject. Furthermore, he even appeared on the wedding anniversary of his parents last time, which showed that he was very optimistic about Tang Family. It would not be difficult to propose. " Tang Ru Yi said proudly as she was having a beautiful dream.

"Didn't you question that Di Hao Tian going to the banquet had something to do with me?"

Tang Ru Yi was blocked until his face turned green: "I will marry Di Hao Tian, so stay away from him. If I see something that I shouldn't have seen again, I won't forgive you! "

With that, he left with a warning.

Tang Bao looked at the figure who was walking far away, and was puzzled: "Did I dig out the ancestor's grave of the Tang Ru Yi family in my previous life? Why does everything she sees have to do with me? But this is the only time she's done what I'm happy about. "

"You mean she wants to fight over Di Hao Tian with you?"

Tang Bao vigorously nodded his head, "Mn!"

"Di Hao Tian has his eyes on her?" Wan Mi Lai suspected.
